Frederick County, Md. – The Department of Solid Waste Management is announcing the postponement of curbside recycling service for **Wednesday March 6**, in preparation for the winter storm forecast to affect our region. To assist the county's Highway Operations Department with road clearing efforts, residents should not set out their recycling carts and bins Tuesday evening.

Recycling service normally scheduled for Wednesday is planned to instead take place on Thursday, March 7, shifting all curbside pickups for the remainder of the week one day later than their usual collection day. Areas affected include the City of Frederick, Mt. Airy, New Market, Urbana and surrounding areas.

Regular Pick-up Day		Adjusted Pick-up Day
